

HOLDENHURST SUMMER FESTIVAL SAT 16th JULY 2011

FRUIT AND VEG FACTOR COMPETITION

Last year was the beginning of a new contest held at our annual summer festival.

A battle had begun between the children and the big kids (adults) of Holdenhurst Village to use their creative skills to produce any animal of their choice made from fruit and vegetables.

It proved to be very successful with over 550 visitors voting for their favourite!

For this years contest the villagers of Holdenhurst, Throop, Muscliff and Hurn as well as 2 local schools will battle it out to be crowned the 2011 Fruit and Veg Factor winner!

Entries to be in place between 10.45 and 11.30am for the public vote starting at 12.

Please print out this form and bring it with you.
