If you are a resident in Townsend, Muscliff, Strouden, Throop or Holdenhurst:

YOU ARE A MEMBER OF THE FORUM!

The TMSTH Area Forum was set up for YOU, the local residents, to air your views, raise issues and attend meetings about the development of your local area. We organise meetings, which are currently held 3 times each year, giving you the opportunity to raise and discuss local issues and listen (and question) our speakers.

We are Council funded but totally independent and apolitical. Supported by local Councillors, Police and your M.P., we highlight issues over planning, lighting, roads, policing, schools and anything else that affects our community.

Come along to the meetings and visit your website:
