

Stop the A338 Flyover Monster!

Dear Friend,

Thank you for earlier signing Friends of Riverside or Holdenhurst Village Parish Meeting's petition against Bournemouth Council's destructive plans for a flyover and junctions on the A338 (the 'A338-Wessex Fields Link'), at the site of the current footbridge between Riverside Avenue and Holdenhurst Village Road. This scheme will damage tranquil green space, forcing cyclists and walkers to cross a long road bridge next to heavy traffic. The scheme will go through the Holdenhurst Village Conservation Area.

Because the primary purpose of the scheme is to facilitate a large office development in the fields to the rear of the Royal Bournemouth Hospital, the Council's own figures show that it would generate a significant amount of extra traffic, consequently increasing congestion along Castle Lane West and much of Castle Lane East and add to noise, air, light and water run-off pollution. It would also be harmful to wildlife.

The plans have now been submitted

Friends of Riverside have written a very strong objections case to the plans. To ensure that we achieve our aim of stopping this development, we ask you to write a short email or letter stating your objections.

The planning application number is 7-2017-9177-DH and the location is Riverside Avenue/Wessex Fields. The plans can be seen on the Council planning register.

Write to: planning@bournemouth.gov.uk

Or fill in the online Planning Application Comment form:
www.bournemouth.gov.uk/Report/ReportForms/Forms/PlanningApplicationComments.aspx

Or write a letter to:
Planning, Transport & Regulation, Town Hall Annexe
St Stephen's Road, Bournemouth BH2 6EA

Please remember to include your address, the application address and the reference number.

OBJECTIONS MUST BE RECEIVED BY: 26th January 2018
Together we can stop this damaging development!
